

PRODUCT DETAIL

GARDENA Electric Hedge Trimmer ErgoCut 58 (08876-20)

Blade length: 58 cm. Blade opening: 27 mm. Output: 550 W.
Available from March 2010!

Convenient Electric Hedge Trimmer with 90° rotatable blade unit – the user is always in the ideal cutting position next to the hedge.

Ergonomically shaped handle – convenient, safe working in every cutting position.

New blade geometries and laser-cut precision blades hold the items to be cut and ensure an efficient, fast, clean cut.

Long service life of the blades.

Blade protector: Protects the user against kickback when cutting close to the ground.

Protects the blades and increases their service life.

Cable relief – prevents unintentional detachment of the extension cable.

4-colour display carton.
