

## HUSQVARNA WB 53S e **NEW!**

WB 53S e is a solid and rugged walk-mower for daily professional use. The model is self propelling, with front-wheel drive for optimal handling and has a reliable and powerful easy-start Honda GCV-engine. Cast aluminium cutting deck in silumin alloy for greatest durability and strenght for impacts and wear. The cutting deck has an in-built combi-function which means easy possibility to shift between BioClip mode and rear discharge for cutting higher grass. WB 53S e is also equipped with an ergonomic and side adjustable handle included an effective Anti-Vibration System, which help the model fulfil A(8) EN836.
